

Stewardship workshop at SJBC

Recently, 14 members and friends of St. John the Baptist Lutheran Church participated in a workshop to explore our gifts and assets as a congregation. We prepare an inventory with our individual talents, congregational assets (God's promises, activities, physical resources) and partners. **(Thank God and thank you for your partnership!)**

We remember that our resources and assets are gifts from our living God. Also, we remember that we are invited –we are CALLED- to participate in God's mission in the world ("in mission for others"!), specially in our part of the world here in Comodoro Rivadavia.

We are working in collaboration with God, using the resources given to us by God...

Now, three questions we need to respond

How are we going to use our assets and gifts to...

- grow as a congregation?
- Plan the future of the Children Care Centre?
- Improve the building?

In few days we are going to meet again in order to create proposals to accomplish our goals.

Of course! MATE, in all our meetings

In the same weekend,
we had a great surprise...

Alter Sunday Service

two kind and brave girls from Saskatoon, travelling in Patagonia, stop for a couple of days to visit us!!!
What a joy to receive one of the people who hosted me in 2004, in my visit to Canada!

Thanks, Adrienne Tastad and Kimberly Kiss, for your nice detail.

Marshmallows & bonfire in the end of the world

Greetings to all of you, and have a blessed lent and Easter time.

In Christ,
Gustavo Gomez
